

Thank you for your order!

Your Customer Order Confirmation

Dear Glenn,

Thanks for ordering a **Groovy Garden Room** from us. We can't wait to construct and install it for you!

In the meantime, please can you check that you're happy with the details of your order stated on this Customer Order Confirmation form (linked to our [Terms & Conditions](#)) and then please email us at support@groovytimber.com to let us know you confirm that the following details are correct. Thank you.

Also, all quoted prices include parts & labour and VAT.

Groovy Garden Room – Key Details

Your Name	Jane Bloggs
Your Address	The Underpinnings, Little Cheeky Lane, Bucolic, Soothingshire SO1 5SH
Your Mobile	07777 777777
Your Email	jane.blogs@email.com
Installation Location	At the above address: Sited in the client's back garden with the garden room back wall being 50cm from the side fence (on the left side of your garden) and the far (right side) wall of your garden room being 70cm in front of a new garden shed at the rear of your garden. An older garden shed (nearer your house) is being removed along the sand/screed base by you before we install. The ground is quite level front to back but slopes down approximately 35cm. Existing ground cover is predominantly decorative stones over a weed mat on topsoil/subsoil although there are areas which have had planters on so are not covered by mat or stone. The soil is a clay loam.
Delivery Timescale	8-10 weeks (estimated) from the date of the initial payment
Time On Site	7-10 days (in weekly sections)
Parking	Little Cheeky Lane is a typical residential street without any parking restrictions and whilst it can be busy at certain times you can reserve the parking spaces outside by moving your own vehicles so the Groovy Timber vehicles can use them instead.
Site Access	Access is direct off the street from the front via a side drive (not quite wide enough for a vehicle) and through double timber gates into the back garden which is then unrestricted to the garden room location at the back of the garden although there are some small level changes. The distance from the house to the garden room location is about 40m.
Groovy Timber team	3 members of the Groovy Timber® Design & Build Team
Accommodation, Travel & Subsistence	Included in the Standard Specification price (for projects on mainland Britain)
Payment Terms	<p>Three payment stages (as per our payment terms):</p> <ol style="list-style-type: none"> 1. A deposit of 50% of the agreed final price is payable on signing this contract document 2. A further deposit of 40% of the agreed final price is payable <i>before</i> we dig & install your garden room foundations 3. The remaining 10% of the final agreed price is payable <i>before</i> we start the third & final phase of the onsite works for your garden room (i.e. the final week of works on site)

Thank you for your order!
